

MERCURY THERMOSTAT RECYCLING PROGRAM REBATE FORM
KEEP YOUR FAMILY SAFE - RECYCLE YOUR MERCURY THERMOSTAT

It's as easy as 1, 2, 3

1. Check if you have a mercury thermostat

2. Put entire thermostat in a plastic bag with this form

3. Take bag to a designated collection site

A. RECYCLING INFORMATION

Clearly fill out this form and place it in a plastic bag with the intact mercury thermostat(s). There is no limit on the number of thermostats you can recycle.

You have placed the ENTIRE mercury thermostat in a sealed bag, not just the mercury ampules. (Rebate is issued once the Thermostat Recycling Corporation (TRC) receives the entire thermostat AND verifies the thermostat contains mercury.)

DATE: _____ # OF THERMOSTATS: _____ X \$5 = \$ _____ FULL REBATE AMOUNT

B. COLLECTION SITE INFORMATION

Find a collection site to drop-off your thermostat. Go to thermostat-recycle.org/zipsearch to find one near you.

NAME OF DROP-OFF LOCATION: _____

ADDRESS: _____

CITY: _____ STATE: **CA** ZIP: _____

C. YOUR INFORMATION Residential Utility Customer Professional Contractor School Employee Property Manager Hotel Manager

NAME (who rebate is made out to): _____

ADDRESS: _____

CITY: _____ STATE: **CA** ZIP: _____

PHONE: _____ EMAIL: _____

SIGNATURE OF PAYEE: _____

Keep copies of this form for your records. You can expect your rebate within 3 to 6 months. If you have not received your rebate, please call the drop-off location first to confirm the thermostats were delivered to TRC. Other inquiries, contact TRC at 888-266-0550, trc@thermostat-recycle.org, or thermostat-recycle.org.
